Lunardi Requests State Action For Emerald Highway

A resolution intended to notify outsiders to stay out of the discussions over a proposed all-year bridge across Emerald Bay at Lake Tahoe was introduced in the legislature April 21 by Assemblyman Paul J. Lunardi, Roseville, Capitol News Service Reports.

The resolution itself was very simple. It pointed out the need for an all-year crossing or road by the picturesque bay and noted the California highway commission has the responsibility to locate state highways.

Lunardi's resolution noted the commission had adopted procedures to hold public hearings in the area affected and that an agreement with El Dorado County would be necessary.

The resolution then directs the commission and department of public works "to proceed in their usual manner at the earliest practical time to determine the location of a modern all-year route in this area and to include in such proceedings the above-mentioned public hearings in the locality."

The bridge has been a subject of controversy for many years. Residents in El Dorado and Placer County have been in favor of a bridge, almost unanimously. However, the state park commission has objected that a bridge would scar two state parks in the area. The commission's position has been supported by a number of nature groups from elsewhere in the state.

"This resolution simply asks the commission to handle this situation exactly the same as it would handle a highway location or design in any other part of the state," Lunardi said. "In other words, it means the commission should confer with people who live in the area and outside meddling should be ended.

"Any question of possible statewide interest already has been more than amply discussed," Lunardi said.

Fred O. Kehlet Of Meeks Bay Expires

MEEKS BAY—One of Tahoe's most well known and respected citizens, Fred O. Kehlet, 63, expired Friday unexpectedly at his home in San Gabriel. Funeral services were held yesterday at Sawtelle.

For more than 40 years, Kehlet had been associated with his brother, George, in the operation of Meeks Bay Resort, the brothers going there in 1920.

He was a native of Montello, Wisconsin but had lived in California since 1911.

Surviving are his wife, Alice and one son, Darrell, of Sacramento who spent his summers at the resort, and three daughters, Mrs. Frank McCabe, Mrs. William Swanson and Mrs. Dicy Coppel all of southern California.

AUXILIARY PRESENTS GIFT TO HOSPITAL

The board of directors and the Tahoe Forest Hospital staff expressed their appreciation for a donation in the amount of $504 which was recently received from the Tahoe Forest Hospital Auxiliary.

The donation was earmarked to cover the cost of a Gomco heavy duty suction machine for use in the hospital surgery department. This piece of equipment was needed by the hospital to improve facilities in the department.

The auxiliary obtained a large part of the fund from a series of coffee klatches which were held throughout the hospital district area some time ago.

The board of directors and the hospital staff sincerely appreciate the dedicated efforts made by the auxiliary members to help improve the standards of patient care in the hospital.

WOMAN ESCAPES AS CAR IS DEMOLISHED

Mrs. Barney Wilen escaped injury Monday when the car she was driving skidded on an icy spot on the highway near Carnelian Bay and plunged into a bank rolling over several times. The driver escaped by crawling through a window of the car and after rescuing her dog, flagged down a passing motorist, who gave her a lift.

Although Mrs. Wilen escaped serious injury, the car was badly damaged.

AIRPORT NAMED

The Truckee Tahoe Airport is included among the 35 new airports and 31 heliports in California included Monday in the Federal Aviation Agency report to congress.

Convalescing—

Mrs. Jack Neugebauer returned to her home at Kings Beach during the weekend following an operation which took place at Reno. Her friends in the area are hopeful for her early recovery of health.

Apple Transferred After Five Years With Truckee Bank

More than 40 members of the Truckee Donner Chamber of Commerce gathered for the meeting at Smart's yesterday to bid farewell to their president, Lee Apple, who is being transferred to Palo Alto by Bank of America.

As a token of their appreciation for his service to the chamber, Manager N. F. Dolley presented Apple with a new fish pole and reel.

Lee Apple, manager of the Truckee Branch of Bank of America, has been promoted to a senior lending officer post at the bank's branch in Palo Alto, President S. Clark Beise announced this week.

Apple, head of the local office since 1956, will assume his new responsibilities at the larger Palo Alto branch next month. His successor here will be named soon, Beise said.

Lee Apple

After receiving his masters degree from Stanford University's graduate school of business, Apple joined Bank of America in 1949 as an executive trainee. Promoted to officer status in 1951, he was assigned the following year to a pending position at the Wasco branch, the post he held when appointed manager of the Truckee office five years ago.

Apple is president of the Truckee-Donner Chamber of Commerce, a director of the Lake Tahoe-Sierra Chamber of Commerce, and treasurer of the Truckee Lions Club. He also serves as a director and treasurer of the Truckee-Tahoe Airport District.

Apple and his wife, Donna, have two children, Joan, 7, and William, 4.

Olympic Pictures Scheduled On TV

Of special interest to local television viewers will be the program scheduled for Sunday at 9:30 a. m. when moderator Merle Hussong of the popular "Under the Capitol Dome," will present a new film titled "Winter Olympics" over Channel 3 at Sacramento.

The film was made by the U. S. Forest Service at Squaw Valley during the Olympics last year and featured speakers on the program will be Henry Branagh, supervisor of the Tahoe National Forest and Monty Atwater, avalanche control expert.

The picture is a spectacular film record of the games and is receiving its world TV premiere through the courtesy of Grant A. Morse, chief of the division of information and education from the regional forester's office at San Francisco.

Later, the film may be available for showing at service clubs and schools and may be obtained by contacting Morse.

"Under the Capitol Dome" is one of the most popular programs aired locally and frequently features topics of particular interest in this region.

NATIONAL AUXILIARY PRESIDENT TO VISIT

Mrs. F. Lee (Frances) Millican, Palata, Florida, national president of the Ladies Auxiliary to the Veterans of Foreign Wars, will make her official visit to the State of Nevada in Reno, May 1-4 inclusive according to Mrs. Ben Winn, Reno, department president.

Mrs. Millican was elected national president at the national convention in Detroit last August. She has served in major elective and appointive offices in her auxiliary and the Department of Florida. She has served the national organization in all major elective offices.

EASTERN STAR WILL HOLD MEET MAY 2

Truckee Chapter No. 116, Order of the Eastern Star will convene May 2 at 8 p. m. with Virginia Doyle, worthy matron and Paul Doyle, worthy patron presiding.

Public schools will be the program and Joanne Apichino will be refreshment chairman of the evening.

Has Operation—

Pete Lazzari is recuperating in St. Mary's Hospital at Reno following an eye operation.

District Election Is Scheduled Here For Next Tuesday

Voters Tuesday will go to the polls in the Truckee Public Utility District to select two directors from a field of five candidates.

One of the original seven candidates, Jesse Holleman, who took out a petition, did not return it for filing and a second, George Kaspian, whose name will appear on the ballot, has announced he will not be in the district during the coming months and therefore cannot serve if elected.

The polls at the office of the Truckee Judicial District Court, will be open from 9 a. m. until 7 p. m.

The candidates whose names appear on the ballots are P. H. Greenhouse, George Kaspian, James McIver, Eve Popovich, Dr. Henry P. Tapia and the incumbent, Lauren I. Russell.

Karl Kielhofer, whose term is ending, will not be a candidate for reelection. Other members of the board are Dr. Ben King, Cecil Edmunds and Daniel Horman.

Little Leaguers To Signup On May 3

Little League baseball will soon begin another season in the Truckee-Tahoe area.

The official league registration for those attending the Truckee and Donner elementary schools will be held in the high school cafeteria Wednesday, May 3 at 7 p. m. Boys born between August 1, 1948 and July 31, 1953, who wish to register for the forthcoming season may do so if accompanied by their parents. It will be necessary for each applicant to have his birth certificate in order to register, so that the league can comply with the national rules.

This will be the only opportunity for youngsters to sign up for the Truckee and Donner Lake teams for the season which opens June 12. It is anticipated that spring training will commence as soon as weather permits with regular biweekly games scheduled the first week in June.

Four teams will see action, Truckee Lions, Kings Beach Giants, Donner Lake Cubs and Tahoe City Red Sox.

League President Dr. H. P. Tapia urges all parents and others interested in the program to attend this meeting as it will prove educational and interesting. League officials will be on hand to explain this year's program.

SQUAWS PARTY HELD SUCCESS AT VALLEY

The first annual mardi gras of the Tahoe Squaws, held in Nevada center at Squaw Valley, April 22, was a grand success even though four feet of snow created a problem.

Mrs. Charles Fink of Truckee was crowned queen of the affair, gowned in a lovely fringed dress of the 1920 era.

Woody Burris was announced as king for his St. Bernard interpretation and Mrs. Carol Wisdom, Mrs. Charlotte Pecchenino and Ron Mathewson were also award winners. The many interesting costumes, dancing and late refreshments made the evening a gay one and it was decided to make it an annual event.

Mesdames Norman Wilson, James Brehler were in charge of arrangements.

SPRING THAW PARTY IS HELD A SUCCESS

Despite the snow storm April 22, members of the Truckee Cooperative Nursery School pronounced their annual Spring Thaw party a success.

The event took place in Donner Lake Lodge and those who made the arrangements wish to thank all who contributed materials, services or other support to the project.

200 YEARS OLD

A dish almost 200 years old, made only in 1777 and 1778 is part of the collection on display this week at Heller's Variety Store. The piece of scarce Marieberg ware has a raised floral center, typical of the china and is completed with a fret work edging.

Cathy Barker of Kings Beach, a student at Tahoe Truckee high school was reported improved at Tahoe Forest Hospital following an illness.

Time Confusion Is To Start Sunday; Clocks Set Ahead

Daylight saving time, with its attendant confusion, goes into effect on Sunday.

Clocks should be advanced one hour.

Southern Pacific trains operating within California will switch to daylight time, running on the same clock schedules as usual.

The trains that leave California will remain on standard time, making their arrivals and departures one hour later, according to public clocks.

Last Rites Are Held For John Ely Reid

Final rites were held Wednesday afternoon at 2 o'clock at the Truckee Colonial Mortuary for John Ely Reid, 73, a resident of Truckee for the past four years who expired Sunday afternoon at 4:05 following a protracted illness. Interment was in the Truckee cemetery. Rev. Leonard Koster of the First Baptist Church at Tahoe City officiated at the services.

Reid, who had been associated with his son, Rex at the Builders Service Center at Donner Lake since he came to Truckee, was a native of Mart, Texas, born October 24, 1887.

He was engaged in farming for a number of years but for many years was a building contractor and came to Truckee upon his retirement four years ago.

Surviving are his wife, Glau Reid of Los Angeles, a sister, Mrs. Emma Hackell of Lovett, Texas and ten children, five sons and five daughters. They are Rex of Truckee, John C. of Kansas, Joseph of Kansas and R. D. of the air force and Orin D. of San Diego; Mrs. Elsie Hullum of Los Angeles, Mrs. Berell Mills of Los Angeles, Mrs. Ola Smelts of Puerto Rico, Mrs. Joyce Melugin of Truckee and Mrs. Rose Rose of Los Angeles.

Sympathy of the entire community is extended to the surviving family.

Reams Is Elected Lions Club Prexy

Sherman Reams last week was elected president of the Truckee Lions Club for the coming year, replacing Zeph Rose who has successfully conducted the affairs of the club during the past year.

Other officers chosen are Woodrow (Chuck) Baker, 1st vice president; Lee Apple, 2nd vice president; Henry Tapia, 3rd vice president; Jack Houlgate, tail twister; Edward Shirley, Lion tamer; R. W. Seibold, secretary; Lee Apple, treasurer and W. M. Englehart, N. F. Dolley, Ben King and Frank Fox, directors.

There was no meeting of the club last night but tonight the members gather for a pre-meet at Dolley's Dusty Acres on the Reno-Virginia City highway and then attend a meeting of the Sparks Club at the Chuck Wagon.

BOOKS CLUB MEETS AT TAHOE ON MAY 3

The regular fourth Wednesday meeting of the Great Books Discussion Group was postponed until May 3. At that time Huxley's "Brave New World," one of his most talked-about works, will be discussed. Written and first published in 1932, it is a telling satire treating of a future mechanistic universe destined to rob the world of all beauty. Just how much of its prophecy has already come to pass, will no doubt be questioned by the group.

The meeting begins at 8 p. m. in the home of Miss Geri Bean in Tahoe City.

BASEBALL GAMES TO BE PLAYED THIS WEEK

After losing to Reno High School Huskies 20 to 3 last Friday, the Tahoe Truckee baseball team has been idle due to the weather but is scheduled to play at Sparks tomorrow and will meet Manogue here on Saturday.

The double header slated for last Saturday here with Carson City was called off because of snow.

Fish At Earp—

Mr. and Mrs. Ben Lobnow returned from their winter stay at Earp and he reports that fishing was almost too good down south.

Trout Season Will Open In District Saturday Morning

The general trout fishing season opens in this district Saturday, April 29. Prospects for the opening days are good, but with extremely dry conditions prevailing, smaller streams are not expected to maintain themselves for long.

Anglers are warned to carefully read their 1961 sports fishing regulations and to secure licenses and stamps before setting out for their favorite fishing holes. Penalties for not having licenses, the most frequent violation noted, may be severe.

The limit is 10 trout, but not more than 10 pounds and one fish and the season extends from April 29 to October 31.

It should also be noted that the tributaries to Lake Tahoe, except lakes and their tributaries, will not be open to fishing until June 30.

Donner Lake opened a month ago and has been providing good fishing, while Lake Tahoe is open the year around.

Fishing is permitted from one hour before sunrise to one hour after sunset in this district.

Snow Storm Held Worst For Winter

The heaviest snow storm of the year during the weekend brought 21 inches of snow to the Truckee area and boosted the precipitation to .18 of an inch over normal for April with a total of 2.44 inches for the month.

This brought the total precipitation for the season in the Truckee area to 17.74 inches or approximately 60 per cent of the normal 29.44 inches for the season.

The storm was quite general and extended as far east as Reno where half an inch of snow fell. Both Highway 40 and 50 were closed for times because of traffic mishaps which blocked the roads during Saturday night.

Immediately following the severe portion of the storm Saturday night, the temperature dropped and on Monday morning a cold 8 degrees was reported by the U. S. Forest Service here.

The storm came quite unexpected and many garden hoses were buried where residents had been watering lawns and gardens after a protracted dry spell of weather. Flowers and plants were badly damaged by the cold weather.

FIREMEN'S BENEFIT SLATED ON MAY 6TH

Residents are again reminded that the annual benefit party for the Truckee Volunteer Fire Department, sponsored by the Truckee Fire-ettes, will be held Saturday, May 6 at Crystal Bay Club.

Tickets are selling rapidly, according to Connie Kammerer, publicity chairman, and everyone is urged to secure theirs from Richie's Cafe, the Truckee Public Utility District office, the Gateway Laundromat or Gateway Bottle Shop. They may also be purchased at the door on the night of the dance.

"Help support your fire department and have fun, too," Mrs. Kammerer advised.

JOY FRATES HONORED IN BIRTHDAY PARTY

Joy, daughter of Mr. and Mrs. Edward Frates was feted on her ninth birth date, April 21 at a party when games, gifts and refreshments were enjoyed by a group of young friends.

The special cake was decorated with yellow roses, the shade carried in the table appointments. Sharing the afternoon were Debbie Harris, Diane Rose, Jeanie King, Joyce Smart, Anne Hackett, Debbie Wurst, Virginia Strobel, Dorothy Kirk, Nancy Raynor, Larry Doyle, Cris Wiser.

Mrs. Henry Loehr assisted the hostess.

NO EXERCISE CLASS

Mrs. Robert Tonini announced this week that due to Public Schools Week being observed at the schools, there will be no exercise class at the high school for women tonight.

Breaks Ankle—

Mrs. E. O. Hendrickson is recuperating at her home following a skiing accident at Mammoth Mountain last week in which she suffered a fractured ankle.

Box Social, Queen Coronation To Be Held Here Friday

By Virginia O'Bear

This Friday evening at 6:13 the annual box social and queen contest will be held at the Tahoe Truckee High School.

Six lovely girls will vie for the title of Miss Donner Lake, two will be princesses and three will be the royal court. The six young ladies are: Vickie Firpo, Ginger Barnes, Sandra Van Sickle, Renee Hall, Mary Harris and April Lander.

The girls will be introduced and names given of the sponsoring service club they represent, by Rev. George Symons. The girls will appear first in street clothes and later in the evening in swim suits. Miss JoAnne Pomin, Miss Donner Lake of 1960, will crown the new queen after the votes are counted.

There is no charge for this evening of enjoyment and if you do not have your ticket for voting and the door prizes, they will be available at the door. Each lady is asked to bring a decorated box supper for two which will be auctioned off to the highest bidder. Teenagers will have separate bidding first and the maximum limit is $2. Everyone is invited to attend and coffee and soft drinks will be served by the Ladies Auxiliary of the Donner Lake Volunteer Fire Department, sponsors of this event.

Since Truckee will be celebrating Western Days with a parade Saturday, everyone is invited to attend the box social in western clothes or frontier day type clothing. It should be a very enjoyable weekend for all and the new Miss Donner Lake, along with the princesses and royal court, will appear in the parade, western style. See you at the box social.

Fund Is Allocated To Repair Jail Here

The board of supervisors last week authorized the transfer of $2,500 from the unapportioned reserves for a renovation contract for the old Truckee jail..

Sheriff Wayne Brown appeared before the board with a program for reactivating the old jail on a temporary basis, with the approval of the state fire marshal's office.

The money will permit placing the ancient facility into shape and useable for a year or longer, until the new county building is available. A concrete block firewall will be built in front of the furnace, an overhead sprinkling system installed with a modern fire alarm outside the new door.

Brown said this was the cheapest and fastest way out of a bad siutation. The old jail was condemned by the state fire marshal several months ago and the sheriff's office was ordered not to place prisoners therein until alterations would make it safe to do so.

RIVIERA SHOP TO BE HOST AT LAKE SHOW

KINGS BEACH—The traditional champagne showing at the Riviera Shop is scheduled for Saturday, April 29 between noon and 3 p. m. by John Palmer, owner of the store.

Everyone is cordially invited to attend the "preview of event-making clothes" which has been arranged by Palmer who recently returned from a four-month trip to Europe and southern California where he selected newest styles for the show. Door prizes will be given.

MAN LOSES LEG IN SAW MILL ACCIDENT

James Tompkins, 36, Truckee, was critically injured in an accident at the Burney Lumber Co. mill yesterday afternoon.

According to reports, Tompkins was attempting to free a piece of timber which became jammed and the machinery was turned on. His left leg was amputated just below the knee and he was rushed to the Tahoe Forest Hospital for emergency treatment.

ATTEND SERVICES

Darol McGihon, advisor and Terry Walker, Gene McGihon, Barry Leamon and Hal Drummond represented the local Order of DeMolay last Thursday at funeral services held at Lovelock, Nevada for 15 year old Frank Mendenhall of Lovelock, Nevada.

Protests Filed As Shortcut Closed For Lake Traffic

The Truckee Donner Chamber of Commerce at a meeting at Smart's yesterday went on record as opposing the closing of the Brockway Shortcut road during the three months period of construction which started this week. The action coincides with that of the Lake Tahoe Sierra Chamber which has vigorously protested to the division of highways.

Efforts will be made, it was decided to have a detour road provided or permit travel through the construction zone on a controlled basis.

Full scale operations were scheduled to get underway this week on the reconstruction, realignment, and widening of three miles of the Truckee short cut in Placer County, beginning 2.6 miles north of Kings Beach, according to state highway officials at the Marysivlle district office.

The George E. Miller Construction Co., Inc. of Reno holds the $348,350 state contract which will require deep excavation at several locations on the existing route to improve the grade.

The state highway spokesmen announced that because of the nature of the terrain and the heavy reconstruction necessary—as well as enabling the contractor to complete the job in one season—it will be necessary to close the road throughout the length of the project for the next several months.

The closure became effective Monday.

The contractor had originally hoped to keep the road at least par-

Mrs. Williamson Dies At San Jose

Graveside funeral services were held Monday at Lincoln for Mrs. Mary Williamson, 45, wife of Max D. Williamson, official of the Soda Springs Ski Corporation.

Mrs. Williamson died Friday in San Jose and funeral services were conducted there Monday morning.

The deceased was a great granddaughter of Charles Gladding, founder of the Gladding, McBean & Company, west coast pottery operators. She was a native of Lincoln but left there many years ago.

Mrs. Williamson was the mother of Carlef, Mitchel and Thomas Terkildsen, all of Soda Springs, and stepmother of Nancy and Sherman Williamson of Soda Springs; daughter of Ruth C. Gladding of San Jose and sister of Mrs. J. A. Hopson, Augustus L. and Albert J. Gladding, all of San Jose.

Spring Observance In Truckee Planned

James Sampson, accountant at the office of the Truckee Public Utility District, is heading a movement to give Truckee a "send off" for the spring and summer season by having all local residents to attire themselves in old-fashioned western garb for the coming weekend.

The plan is to create interest in the old fashioned box social sponsored Friday night by the Ladies Auxiliary of the Donner Lake Fire Department, the opening day of the fishing season and as just a means of letting everyone know that Truckee is ready for the summer season.

Local service clubs, the merchants and other organizations have indicated they will participate.

Highlighting the weekend of of events, there will be a street dance in Truckee Saturday night—free of charge — and if weather permits, a small parade is proposed that afternoon.

If the idea catches on, Sampson said, it may well become an annual spring event in the community.

JEFF JELLIN FETED BY BIRTHDAY PARTY

Mr. and Mrs. Walter Jellin entertained in honor of their son Jeff's tenth birth date which occurred April 21 in their Donner Lake home. Mrs. E. Pulverman of Oakland, grandmother of the young celebrant was a house guest for the occasion.

After the games and opening of presents, a delicious birthday cake was served during refreshment time.

TIME ADVANCED ON MAIL COLLECTIONS

Postmaster Richard Higgins this week announced that in order to make faster connections with the valley and bay area points, the mail pickup in the box outside the Truckee, post office has been advanced from 8 p. m. to 7:30 p. m.

The pickup inside the office at 5:30 p. m. will remain unchanged.

NORTH TAHOE BRIEFS..

. . . By BETHEL

From Torrance, California, comes a letter from neighbor and friend, Mildred Beesley. Says husband, Lamont, and she will soon be heading Tahoe way for the summear season. Also "enjoy all the local news you write." The Beesley's resort is at Tahoe Vista. Hurry back.

Happy birthday, Nellie Porath of Kings Beach on April 10. Dinner celebration with husband, Roy, and son, Danny.

To Sacramento Sunday, April 23 to attend the Grand Bethel Order of Job's Daughter State of California for the E. J. Stokes, the Frank Apichinos and children Rick and David Brown of Kings Beach—Judy Soles who is the grand senior princess is the Stokes' niece.

Mr. and Mrs. E. J. Stokes of Kings Beach enjoyed a week's vacation at Carmel.

John and Jerri Rayburn of Incline Beach have returned home after a few days in Sacramento.

"Lo and Behold" the rest of the cast—Sierra Winter Stock players—on whom we have a thumbnail sketch.

Pat Wilt — a local gal who attended Tahoe Truckee and Kings Beach elementary schools, maiden name of English. Son David and Pat make their home in Kings Beach after having lived at Fontana, Palm Springs and Redland. At Redland, Pat was a member of the Redland Footlighters. Pat was stage manager of the production, "Bell, Book and Candle" produced by Sierra Winter Stock last year.

Tom Hoffman—wife, Chris, and children, moved to Lake Tahoe three years ago from Sacramento. Local business man. Tom is a veteran of World War II and spent 40 months in a Japanese prison camp.

Gwen Robinson—husband Robie, children Michael who is in school in Fresno; Craig who married another local girl, Shirley Taylor and resides at Truckee; L. J. who lives at home and works for father at the garage. The Robinsons came to Kings Beach five years ago from Van Nuys. Gwen is active in many civic groups.

Gary Snyder — a Donner Lake resident three years and a student at Tahoe Truckee Hi. Gary also has the lead in the school play, "Onions in the Stew."

Kay Felte—you must know Kay Fifteen years resident with husband, Jack, and children, Chris Steven, Ann, Calvin, Kate and Mark. Jack and Kay are two civic minded citizens and participate in many organizations.

Lynda Engilsh a local gal and student, senior, at Tahoe Truckee Hi. Related to Pat.

Dave Ashton, Jr.another local. and need add—well known. Single, graduate of Tahoe Truckee and employed locally, at home.

All in "Lo and Behold" 3-act comedy at Nevada Room, Nevada Lodge, May 9, 10, 11, curtain time 8 p. m., adults $1.25, children 75 cents.

Resemblance to anyone — "Lo and Behold" their publicist.

Ron Mills, state park employe at Squaw Valley, was elected president of the Kings Beach Teacher-Parent Association at the April 20 meeting. Ron, Don Stumbo and Don Beck headed the slate of nominees for the office.

Mrs. John (Lila) Gorrindo, vice president, Mrs. Ross (Alice) Price, secretary, Mrs. Charles (Betty) Rich, treasurer, were the officers elected to serve with Mr. Mills. The new officers will be installed at the May meeting, Thursday the 18th.

"Sing Along with Don" was the program presented by the parents, a goodly hundred led in traditional style by Don Vance sang old favorites. Barbershop Quartet—Don Vance, Bill Mally, Jimmy Chastain and Ross Price— a solo, "John Henry" sung by Jimmy Chastain, headlined the program. Co-chairmen of the event were Marilyn Boatman and Audrey Brehler with Don and Betty Vance, Ruth West, Kay Felte, Bern Franklin, Norma Wilson, Norman Wilson, all assisting.

Two dances were performed by girls of the fifth, sixth and seventh grades who participated in the Girls Recreation Group, Kaytie Corbin, director.

Principal Harvey Price introduced the new kindergarten teacher, Miss Sylvia Shumaker. Mr. Price also made an announcement that gladdened the hearts of all the students (and parents?)—last day of school is June 9. This will enable families to vacation prior to the opening of our season.

Appearing for the first time at Open House on April 25, Tuesday, was the school band. Chorus also sang and square dancers entertained.

Refreshments were served by fifth grade room mothers—Kathryn Abbott and Joan Mally.

Word has been received by Jack Neugebauer and Ralph Ayala of Kings Beach that they have "passed" their examination for judgeship qualifications. This qualifies Jack and Ralph for consideration of the office of judge of the Tahoe Judicial District opening which was created by the death of Judge Harry Charrison. Four candidates will be contemplated — Harry S. Hooper and Robert Fugazi — the other two who have previously qualified for the office.

Kaytie Corbin, student at Tahoe Truckee high school, is director of the girls recreation group at the Kings Beach elementary school. Kaytie leads the girls in diversified play. Softball being played as the weather permits, are the main activities. All girls are invited to participate.

Chicken and dumpling dinner was served the Methodist Youth Fellowship at their regular meeting atthe Kings Beach Community Church on April 16. Host and hostess were Mr. and Mrs. Ted Draney and Mrs. Clara Van Hooser, to Teena Slatkarski, Nancy Barker, Vern and Janice Wing, Barbara Wilson, Don Ingram, Dean Denton, David Reed, Bobby Mondino, Janice Simmons, Linda Tiller, Gretchen Grundemann, Candy Van Hooser.

Lake Tahoe-Sierra Chamber of Commerce board of directors held their regular monthly luncheon meeting at the Buckhorn Inn at Kings Beach on April 20 with Selby Calkins, president, presiding. Promotion, signs, highways, membership, movie, the new office which opened on April 1 in the North Tahoe Village, Kings Beach, were all discussed. Members present were Tom James, George Phillips, Frank Vernon, Ted Stollery, Red Anderson, Gordon Brown, Florence Brown, Harry Hooper, James Hume, Bill Elliott, Earl Gray, George Kehlet, Carlton Konarske, Selby Calkins, Bethel Van Tassell and assistant secretary, Velda Farris.

Dozens of new members have been welcomed in the chamber, dozens have promised their membership soon, how about you?

Ann and Joe Dolce of Kings Beach are enjoying a week's vacation to San Francisco.

Mrs. Jack Neugebauer of Kings Beach is home following surgery at Washoe Medical Center in Reno.

Ruth and Bill Mizner of Kings Beach attended the Cal Aggie picnic at Davis where daughter, Gwen is a student.

Mr. and Mrs. Henry Stiefeling of Montebello are Tahoe Vista visitors for a week or ten days. The Stiefelings are owners of Alpine Lodge and are readying for the summer season.

From Gilroy for a few days at his Silver Sands resort is Al Bettencourt, getting a preview of summer opening needs.

Don and Nelle Barkhurst of Brockway and their guests Mae Spellman of Portland and Virginia Claudon of Seattle were holiday visitors to Las Vegas.

Harry S. Hooper of Brockway was a visitor to Novato to help his mother celebrate the 82nd birthday of his father. Happy birthday.

Happy birthday, Sandra Martin of Tahoe Vista, 10 years old on April 13. Party with ice cream and cake followed by a movie was enjoyed by Sharon Roberts, Kathy Critchley, Jennifer Hoffman, Mickey Barker, Susan Thompson and Gary and Sandra Martin.

Nettie Tinsley and son Warren, of Marysville, were weekend guests of Harry and Ceta Hooper of Brockway.

Dick and Beth Hahet have been transferred from Portland to San Francisco, so on the way stopped at Brockway to visit friends not seen for 18 years, Nelle and Don Barkhurst. A most happy reunion reported.

"Queen for a Day" is the destination on May 9 for Den Mothers of Kings Beach—Cleda Hull, Verna Holley, Joan Mally, Ruth West, Arlene Larsen, Nancy Cole, Mary Combs, Betty Baxter, Fran Cernusak and Jane Tenneson.

The group is writing a poem, drawing straws for the name to be signed to it, which may result in one of the group being selected to vie for the crown. Good luck.

Vince and Pearl Kientz of Brockway are home after a short holiday.

Bill Bryd of Clayton, N. M. is visiting the Ladner family of Kings Beach.

Canvassing door to door to raise Red Cross funds began on April 18 in Kings Beach, Tahoe Vista and Crystal Bay areas. The drive is

STRIKES & SPARES

BY JOE WILMAN

THE CROSSOVER PROBLEM PLAGUES ALL BOWLERS

The crossover to the 1-2 side gives more trouble to bowlers than even hitting high on the pins. Hook and curve shooters are no more immune to this than the straight-ball bowlers.

A straight ball bowler, who crosses over consistently, probably has too sharp an angle. He's starting from too far over near the right gutter. He can reduce this angle by moving a board or two nearer the center of the alley. Figure out the line the ball should follow into the strike pocket. Then, release the ball at the point the imaginary line crosses the foul line.

For the hook or curve bowler who's crossing over, the problem probably lies in his angle also. He's probably not giving his ball enough room on the right side of the lane to move out before it begins its hooking action.

He, too, should move a board or two to the left and give his ball more room to hook back and still remain on the right side of the head pin.

The hook-ball bowler can also increase his speed to reduce his ball's hooking action, but changing the angle is easier. Try that first.

DONNER DOINGS

By VIRGINIA O'BEAR

With the heavy snowfall we had over the weekend, it will lessen the fire hazard some. It will stop construction work on the new freeway for a few weeks which is bad, but at least we will have more moisture in the ground. Roy Saarni talked with me a few days ago concerning burning at Donner Lake. He is district forest ranger in our area and wishes all Donner residents to report any burning they see which is not done in incinerators within burning hours, and anything that looks suspicious or dangerous. He wishes the residents to know that if there is any construction burning later on, it will definitely be under supervised control through the forestry division.

Crazy Hat Night was a tremendous success last Thursday night when auxiliary members of the Donner Lake Volunteer Fire Department met for the regular monthly meeting. Judges Hap Warnke and Dr. Ray Wiser graded the hats on a point system, having a list such as "fall out", "durability", outer space", "feasibility" and many others listed. After looking them all over and tasting a few, they decided the first prize would go to Nancy Brodie (hers tasted good), second prize to Claudia St. Claire for her dustmop masterpiece and third place to Beverly Harris for her outer space helmet. Many guests were present and seemed to enjoy the evening. Ella Rae Fulton, Jean Little, Jean Ingram and Pearl Draney came over from Kings Beach, interested in starting an auxiliary for the Kings Beach Fire Department and picked up quite a few ideas, they said. Also present was JoAnne Pomin, Miss Donner Lake of 1960 helping the judges award the prizes. Frances Kingsley was Claudia St. Claire's guest. Alta Van Sickle was our guest also and Shirley Straub, of Shirley's Beauty Salon in Truckee, who donated a hairstyle as first prize. During the dinner, Jim Sampson dropped by with Sandy Van Sickle, "Miss Truckee Rotary Club." He invited the auxiliary to participate in the big celebration in Truckee this coming Saturday, stating that Friday, all business people were going to work in frontier and western clothes in conjunction with our box social and queen coronation which is that evening. The new Miss Donner Lake of 1961, the two princesses and the royal court will ride in the parade Saturday, starting at 1 o'clock. Last minute details were worked out at Thursday's meeting for a bigger and better box social. Don't forget the time and place, Friday, 6:13 p. m. at the Tahoe Truckee high school cafeteria.

Mr. and Mrs. Roy Slate spent a few days in Rodeo last week, celebrating Roy's birthday with Ozella's folks, Mr. and Mrs. Floyd Sharp.

Dollie Harris spent a few days at Donner Lake this week as the was busy getting her home ready to lease to Evelyn Alexander and Ann Merker. Dollie and Virgil will be living at Plymouth for another month or two and when they come back, will get a little one bedroom place for just the two of them.

Arlene Johnson had good intentions of spending the weekend at Donner Lake but got tied up in the traffic jam at Nyack and was forced to go back as far as Auburn to spend Saturday night. Due to the reports to stay off the highways, she turned around and went back to Novato. Hope the next trip she plans will be more sucessful and that we don't have any more storms until next winter.

The sympathy of the whole community goes out to three families at Donner Lake this week. The Barak Wright family have their son and daughter in law, Mr. and Mrs. Carl Wright in a hospital in Reno, Mrs. Wright in very serious condition due to an automobile accident Friday evening. Rex Reid's father died Sunday which has saddened everyone and Martha Pankoke lost her mother last week. There is so little the community can do at times like these but everyone is hoping that with a little time, the sadness will ease and we will see these families happy again.

Tips on Touring

Deductions For Motorists

In making out your 1960 Federal income tax returns, have you deducted all the automobile expenses allowed to car owners?

Here are some allowable deductions:

You can deduct your state gasoline tax. If you don't know how much gasoline you bought last year, divide the average number of miles your car gets per gallon into the total mileage for the year.

You can deduct your state registration fee. Local sales taxes on cars and their accessories are also deductible. So are losses from theft, fire and accidents not compensated for by insurance.

You can deduct driver license fees, and all interest charges paid on automobile loans during the past year.

If you use your car exclusively for business purposes, you can deduct all operating and upkeep expenses. If you use the car for both business *and* pleasure, only the business part of the operating cost is deductible.

Although state gasoline taxes are deductible, Federal taxes are *not*. When you figure tax deductions, remember that the Federal tax on gasoline is now 4 cents a gallon.

A booklet about automobile tax deductions has been published by the American Automobile Association. Members can get it by writing to the club.

TAHOE WEATHER

TAHOE CITY—Thirty inches of snow with 2.18 inches of precipitation fell at Tahoe City during the weekend, according to Daryl K. DeWalt, cooperative observer. The temperature remained on the cool side with a high of 45 and a low of 15 for the week. With three gates open, the level of Lake Tahoe Monday stood at 6224.04, subject to revision.

BLYTH ARENA WILL BE CLOSED DURING DURING ALTERATION

Squaw Valley's Blyth arena will be closed during the next few weeks so that improvements to the skating and non-skating sections of the Olympic games arena might be made.

It is being closed at the request of the concessioner who desires to "make repairs and interior changes in the interest of a more efficient operation for both public skating and special events." These improvements are being accomplished at the expense of the concessioner.

Included in the projects are the remodeling of the coffee shop, painting and repairing the guard rails, installing skate-sharpening equipment and skate racks, turnstiles and other equipment which will insure better access to the arena. This period after Easter vacation and before summer was chosen as the time when the fewest visitors are anticipated at the park.

Meanwhile, the state division of beaches and parks is near a decision on use of skating rinks immediately adjacent to the Blyth arena. These include one training oval and the speed-skating oval. The determination on future use will be made in cooperation and negotiation with the concessioner, W. A. Newsom and John Pelosi, who have made their views known.

A master plan of beaches and parks now being studied by the concessioner includes the establishment of 1,800 parking spaces near and around the Blyth arena. Parking has been a major problem in providing better access to the winter sports activities at Squaw Valley. Money is available for construction of the parking facilities.

The Squaw Valley area has been extensively used during the winter months. As many as 15,000 have flocked there during a single weekend.

PINBALL MACHINES RAPPED BY RULING

SACRAMENTO — (CNS — Attorney General Stanley Mosk has ruled that "multi-play" pinball machines are predominantly games of chance—not of skill—and therefore are slot machines and illegal.

Mosk's ruling came in answer to a question from John A. Nejedly, district attorney of Contra Costa County.

Mosk said multi-play machines have features similar to slot machines, providing odds when additional coins are inserted.

"The labeling of a device by its manufacturer as a 'pinball machine' does not place such machine beyond the pale of the law," the opinion said.

COUNTY TO RECEIVE HIGHWAY USE TAX

SACRAMENTO (CNS) — Nevada County will receive an estimated $322,500 in highway users taxes during the 1961-62 fiscal year, State Controller Alan Cranston reported today.

Cranston estimated apportionments to the 58 counties during the year starting next July 1 would total $91,392,100, an increase of $3,351,900 over the amount distributed during the current fiscal year.

The controller's office sends the estimates to county boards of supervisors for use in preparing new budgets.

ROLLIE HAWK HEADS TAHOE LAKE GROUP

By Ellen Attardi

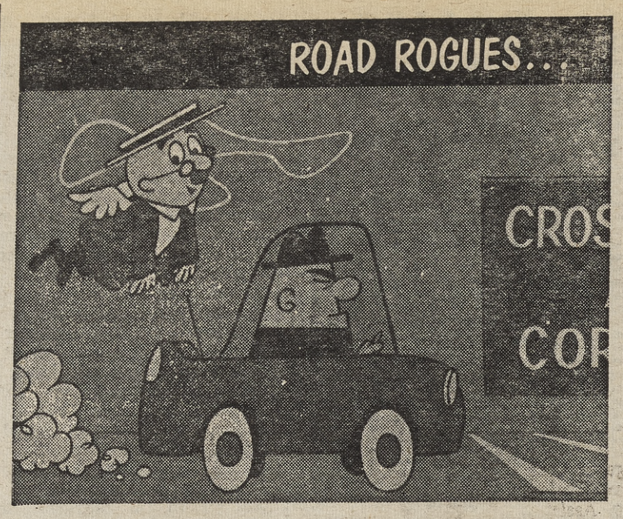
TAHOE CITY—Officers for the coming year were elected at a Tahoe Lake PTA meeting held last Wednesday night at the Tahoe Lake School. Those elected to office were: Rollie Hawk, president; Jeannette Moe, vice president; Marian Michener, secretary; Jim Simpson, treasurer; Modene Hammer and Ned Long, auditors; and Virginia Duttweiler, historian.

Gordon Moyer and Paul Rivard, both members of the school board, were brief speakers at the regular business meeting.

A prevue from the junior choir operetta, "Cinderella in Flowerland," was presented to the group under the direction of Mrs. Macie Henke. Accompanying the group was Mrs. Betty Starratt.

Be ready with TWO ways out of every room

Don't give fire a place to start!



THE JAYWALKER . . . Sometimes, when she's in a fond mood, Mr. Muffet's wife calls him "angel." He is, too—a real one. Mr. Muffet, like many careless pedestrians, crossed the street in the middle of the block, and, what's more, he was reading the paper at the same time. The driver of the car that hit him really couldn't be blamed too much. The AAA Foundation for Traffic Safety urges you to cross the street only at corners and remain alert at all times.

AWARDS GIVEN TWO WOMEN AT TAHOE

By Ellen Attardi

TAHOE CITY—Two awards were presented to delegates from the Women's Club of Tahoe at the Sutter district convention held last week at the Sacramento Inn in Sacramento. These two honorary awards were for outstanding achievement in the field of veterans' affairs and safety programs. Receiving the awards for the local club were Mrs. Phil Geier and Mrs. Ernie LePire.

The next meeting of the Women's Club of Tahoe will be a potluck luncheon meeting held at the Tahoe City residence of Marie Henry on Thursday, May 4. The meeting will commence at 12:30 noon and the main business of the meeting will be the election of officers for the coming year.

RETAIL SALES SHOW DECLINE IN COUNTY

SACRAMENTO — (CNS) — Retail sales in Nevada County totaled $24,783,000 for the calendar year of 1960, the state board of equalization reported.

Of the total sales subject to the state's 3 per cent sales tax, $6,328,000 were in the fourth quarter. Final quarter sales in the county produced $189,840 in state sales tax, or .1 per cent of the state total. Final quarter sales were down 6.7 per cent from the same quarter of 1959.

For the state, retail transactions subject to the tax rose 2.5 per cent over 1959, for a record total of $23,361,394,000. The new record was set even though sales in the fourth and biggest quarter were down .7 per cent from the previous year.

CHANGE IN DRIVERS' LICENSES IS URGED

A sweeping change in the present driver's license program was advocated by Assemblyman Paul J. Lunardi.

"The proposed measure provides for incorporation of the present chauffeur's and endorsed operator's licenses into one uniform driver's license," announced Lunardi.

"Our present licensing system has become too complicated with the issuance of chauffeur's and endorsed chauffeur's licenses, operator's and endorsed operator's licenses, and in some cases, endorsements upon an endorsed license," Lunardi commented. "My bill will eliminate this confusion and at the same time strengthen safety on our California highways."

The proposed uniform driver's license measure defines drier's license as a license to drive the type of motor vehicle or combination of vehicles for which a person is licensed under the California Vehicle Code.

"This bill has been studied by representatives of state departments, safety organizations, and professional drivers," stated the Roseville Assemblyman. "I cannot foresee any constructive opposition to this safety measure."

Lunardi pointed out that the advantages and benefits of the uniform driver's license replacing both operator's and chauffeur's licenses are in the best interest of safety and administration, and in the long run will save several thousand dollars annually to the tapayers of this state.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Man's God-given freedom from sin and temptation will be explained at Christian Science services this Sunday.
Keynoting the lesson-sermon on the subject "Everlasting Punishment" is the Golden Text from Ezekiel (18): "Repent, and turn yourselves from all your transgressions; so iniquity shall not be your ruin."
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read (p. 315): "The likeness of God we lose sight of through sin, which beclouds the spiritual sense of Truth; and we realize this likeness only when we subdue sin and prove man's heritage, the liberty of the sons of God."
A selection to be read from the Bible states: "For it is God which worketh in you both to will and to do of his good pleasure. Do all things without murmurings and disputings: That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world" ("Philippians 2).

tially traversable during excavation. However, due to the time limit and the difficulty of constructing and maintaining detours within the job limits, the decision to close the road was made as permitted by specifications in the state contract.

As part of the federal aid secondary system, federal law requires that construction on the county road be done by state contract under the general supervision of the Marysville district office of the state division of highways.

Resident engineer for the state is Thomas Heather whose project trailer office is located on the west side of the Truckee short cut about one-half mile north of the junction with State Sign Route 28, near Tiger Avenue entrance to the golf course.

Easiest and quickest route for motorists wishing to travel between the Lake Tahoe north shore area and the Truckee vicinity during the closure, is by way of State Sign Route 89 between Tahoe City and Truckee.

Final completion is presently estimated for October; however, the road may be opened sooner, following excavation, grading, and subbase construction, with one-way traffic controls through sections undergoing actual base construction or surfacing operations.

The project is a part of the overall program of reconstructing and widening, with some realignment, of the 12-mile route in Placer and Nevada Counties between the north shore and Truckee.

New width will be a 30-foot all-paved section of asphalt concrete. Several short-radius curves will be lengthened and sight distance improved for easier, safer driving.

The 1.5 miles from the county line north was completed last summer, and the 4.4 miles from the county line south to the end of the current project was completed in 1959.

The short sections leading into Truckee and into Kings Beach will be improved under future contracts as funds become available.

BOY FOR BOWDENS

One of these days your boy will be starting off to school in his shiny new shoes and fresh clean shirt. And he'll start learning all the things he needs to know to make him the kind of man you want him to grow up to be.

One of the most important lessons for your son to learn is the meaning of thrift and the value of a regular savings program. And that's what the U. S. Treasury's School Savings Program will teach him.

By the purchase of 10¢ and 25¢ Savings Stamps in their schools, children are investing in U. S. Savings Bonds on the installment plan. And, as you know, Savings Bonds are one of the best investments that any of us can make.

Is your child's school participating in this important program? Why not speak to your principal, school superintendent or P.T.A. group about it?

Encou age your child to buy Savings Stamps regularly. Start the U. S. School Savings Program in your town today!

TAHOE TRUCKEE SCHOOL NEWS

TAHOE LAKE SCHOOL

KINDERGARTEN: The children sharing in nature study this week were Susan Gehlert, with a lady bug and Bill Richardson with rocks collected from the lake shore.

Billy Menges and Sandra Keechler surprised the class by making the numbers correctly one to 100.

Gracia Cook introduced her mother to the class when Mrs. Cook visited on Wednesday.

FIRST GRADE: The following students made perfect scores in this week's arithmetic test: Mike Bechdolt, Jim Edd Burchett, Charlene Keehn, Karen Mullen, Jeri Sampson, Scott Jorgensen, Cinthie Ables, Foster Mullen, Jeff Ballenger, Bobby Fitts, Nancy Kelley, Sheryl Walling, Joella Moe, and Richie Baker.

FIRST AND THIRD COMBINATION: Our first graders, Susan Kettenhofen, David Kahn, Dal DuMars, Robby Easton, Corleen Hepner and Pam Wirtz have finished reading "We Three."

Third graders, Cathy Menges, Marlene Milligan, Gary Mullen, John Scoville, Mary Jo Mackenzie, Leslie Massey and Sandy Poulsen have begun a brand new reader called "Open Roads."

SECOND GRADE: David Thomson, Bonnie Nyberg and Bill Moyer are making individual book reports.

Fourteen children made 100 per cent in a 45 word spelling test. There were seven children that only missed one word.

Susan Cannon and Paul Corona had the nicest writing for the week.

Peggy Tilton has made the most progress in writing.

THIRD GRADE: Those children who received 100 per cent in a 50 word spelling test this week in Mrs. Longs third grade were: Marlene Kimball, Melinda Bechdolt, Kristan Attardi, Lynn Duttweiler, Nikki Ballenger, Christina Keehn, Sharon Christensen, Laura Hoxsie, Dorothy Pomin, Leslie McBride, Tom Rodgers, Jimmy Kaastrup, Doug Lindsey and Dennis Taylor.

FOURTH GRADE: Children receiving hundreds in an arithmetic time test were: Calvin Bechdolt, Mike Cannon, Tommy Carnell, Jimmy Caulkett, Billy Dutton, Greg Hill, Mark Sullivan, Tom Ose, Andra Call, Heidi Henrikson and Meredith LaTour.

FIFTH GRADE: Those receiving hundreds in the spelling test are: Dianne McBride, Ernie Marier, Denise Henrikson, Tabor Griswold, Janet Jorgensen and Suzanne Wertz.

SIXTH GRADE: Those who made A's on their arithmetic test in problem solving were: Roger Olsen, Dick Pomin, Tom Stephan and Terry Stimson.

Those who made 100's in spelling were: Jimmy Bechdolt, Roger Olsen, Marty Spitsen and Tom Stephani, Terry Stimson, Ralph Stromgren, Gary Taylor, Kathy Coster, Leigh Swigert, Nancy Donaldson, Rae Lee Grahn, Georgianne Luffy, Darlinda Stark and Holly Wall.

The class published their own magazine this week under the capable direction of co-editors Holly Wall and Ralph Stromgren.

SEVENTH GRADE (Mr. Hawk): We have started extemporaneous speaking for our oral expression on Thursday. A's in the algebra test were: Roger Kahn, Cathy Conners and Karen McBride.

SEVENTH GRADE (Mr. Steinhauser): Receiving A or A— grades in the past social studies test were: Victor Camp, Doug Gaeta, Kirsten Hansen, Jeff Lodi, Ken Silva and Glenna Hepner.

KINGS BEACH SCHOOL

SECOND GRADE: The following children are now reading in a third grade reader: Becky Anderson, Becky Erickson, Mia Melvyn, Susan Leon, Nancy Tiller, Martha Pope, Margaret McDonald, Chaulky Hooper, Lynann Fugazi, Diane Finigan and Richard Abbott.

Fae Franklin donated four story books to our classroom library.

Jimmy Black transferred to Sacramento. We are sorry he had to leave our class.

THIRD GRADE: This week we viewed a new film "You and Your Food" which we enjoyed very much. Each of us then made our own version of a food chart showing the seven basic foods.

SEVENTH GRADE: Those who received A's and B's on both reports were Beverly Bergman, Darryl Cernusak, Dale DeSylva, Bruce Draney, Steve Felte, Linda Gerlits, Larry Henderson, Darryl Lausche, Celia Manning, Barbara McMillen, Stephen Newberry, Howard Price, Michaeline Rates, Bruce Templeton, Larry Tiller, Cathy Whitehead, Laura Dwight, Mike Thomas and Gail Wilson.

Those who received better than average in one report only are Terry Boatman, John French, Paula Martin, Bob Mondino, Mike Reed Rondi Thorwaldsen, Vern Wing and Jill DeSylva while Nelson Romero showed the most effort and improvement.

TRUCKEE ELEMENTARY

KINDERGARTEN: David Baker has returned to our class. He was here last fall and spent the winter months in Sacramento.

Brownie and her chicks have gone to Reno to Brownie's owner. Kay Dee Ross.

FIRST AND SECOND GRADE: We have been very busy getting our room ready for Open House and hope all our parents will come.

Those who received 100 per cent in spelling this week are Janet Corro, Kenneth Grady, Sharon Ford, Gary Paddock, David Stone, Anne Hackett, Rosemary Campos, Jody Densley and Kathey Osburn.

SECOND AND THIRD GRADE: We have Charles Denny, David Greene, James McKinnon, Douglas Reid, Leslie Smith, Catherine Craig, Debra Eckerman, Patricia Goldsmith, Margaret Holloway, Donna Horman, Debbie Jellin, Jean King, LaVon Mayer and Joyce Smart as the best spellers this week.

We welcome Connie Baker back ot our school.

Our two high school chemistry teachers, Randy Pomin and Tony Calcagno have brought many new interesting fields for our class to think on.

THIRD GRADE: We're happy to welcome Ronnie Baker and Susan Jang back to our room. We now have 14 boys and 19 girls.

Outstanding special interest reports were made by Larry Doyle and Barbara Randol this week.

Newly organized P. E. teams chose Ronnie Baker, Chris Wiser and Larry Simmons as captains.

FOUR AND FIFTH GRADES: "Adventures of Georgie," a play about Washington and Cornwallis had the following cast: director, Mike Kydd; narrator, John McGlade and cast: George Franceschini, Ryan Houlgate, Karel Sauby, Gail Shackelford, Maryann Atkinson, Liz and Tammie Richards, Curt Melugin, John Clark, Stephen Schooley and Justus Spillner.

Following had 100 per cent in spelling review test: Ryan Houlgate, Karel Sauby and John Clark.

FIFTH GRADE: Ray Wiser and Mike Brumley made a chart on the Rocky Mountain states and will put it on the bulletin board.

Our new officers are: president, Ray Wiser; vice president, Mike Larsen; treasurer, Bobby Goldsmith; board, Nancy Randol; flag, Rod McCallen; windows, doors and lights, Billy Hobbs; librarian, Chris Kumle; paper, Hattie Baxter; paper, Thomas Holleman and bulletin board, Carol Brown, Aaron Densley and Richard Fresquez.

Monitors are: Jack Melugin, Marianne Moore, Heidi Euer, John Goldsmith, Cheri Comola, Bill Waters, Shirley Constan.

SEVENTH GRADE: We had an arithmetic test last week: those receiving A's are Betty Saarni. Randy Russell, Diane Pankoke and Lorraine Davis.

A spellers are Donald Greene Walter Dallas, Larry Pifer, Gilbert Sandoval, John Besio, Danny Smith, Chuck Trainor, Sherry Borden, Larraine Davis, Anne Morey, Connie Rhoades and Betty Saarni.

EIGHTH GRADE: This week James Drummond gave a science report on weather.

On our math test in problem solving, Judy McGwinn had the only perfect paper, but Carol Brenick, Marcia Leamon, Susan Knapp, Steve Davis, Karen Schumacher, Michael Sauby, Ricky Schull and David Sorani all received 90 or above.

DONNER TRAIL SCHOOL

PRIMARY GRADES: The children in kindergarten, first, second and third, have been studying about seeds and gardening in preparation of planting a classroom vegetable and flower garden. Sharon and Gayle Payne brought in two nice wooden flats that their father had made for the class.

This week in spelling there were many perfect papers. We are proud of Johnny White, David Jaurequi, John Loder and Evalyn Gurn in the first grade; Bonnie Hampton, Billy Griffith, Deborah McGee, Gayle Payne, Bill Mason, Don Gurn and Joseph Jaurequi in the second grade and Chris Monroe and Debby Rosamond in the third grade.

Dick and Mike Nidever have joined our class this week. They are from Nevada City and now live near Sugar Bowl. We are happy to have them with us.

Tahoe Items

Tahoe City families are momentarily returning from other cities where they have spent the winter, including the Howard Guths who recently returned from Palm Springs. Mr. and Mrs. Dave Gaynor after several months at Cathedral City and Ernest H. Pomin wrote from San Francisco that he is at home again.

Mr. and Mrs. William Haste who have been at Gardena for some time are at Tahoma where they combine business and pleasure during the summer.

When California was ceded to the United States, San Francisco had a population of 820, 200 houses, one school, one newspaper and two wharves.

LUNARDI BILL WOULD GIVE POLLUTION AID

Legislation has been introduced by Assemblyman Paul J. Lunardi to transfer $4,000,000 from the general fund to the state water pollution control fund, from which fund it is appropriated for loans to local agencies for construction of sewerage and storm drainage facilities.

The state water pollution control fund was established during the 1949 general session of the legislature, appropriating $1,000,000 as a loan to local agencies for these facilities, repayable to the state at two per cent interest. Since this time, the fund, has been practically exhausted.

"Water pollution in the state is an increasing threat to streams, lakes, communities and resort areas due to the impact of population growth and uses of recreational areas," Lunardi stated, "and that is why I have introduced Assembly Bill 2356."

AB 2356 requires payment of interest on all such loans made from state water pollution control fund to local agencies to be at a rate equal to net interest cost to the state on the last sale of state general obligation bonds prior to loan application, rather than at the rate of two per cent.

CIGARETTE TAX IN CALIFORNIA HIGH

SACRAMENTO — (CNS) — The state board of equalization announced California's cigarette taxes produced $64,171,834 in net revenue in 1960.

John W. Lynch, chairman of the board, said Californians who smoke cigarettes regularly, smoke an average of eight packs a week—3½ per cent higher than the national average. California ranked second among the states in volume of distributions of taxable cigarettes.

Total cigarette tax collections was $65,433,468 in the first full calendar year of the 3 cents per pack tax. The board refunded and gave discounts of $1,261,634.

ORDINANCE NO. 248

AN ORDINANCE REGULATING AND RESTRICTING THE HEIGHT OF STRUCTURES AND ALSO OF OBJECTS OF NATURAL GROWTH, AND OTHERWISE REGULATING THE USE OF PROPERTY, IN THE VICINITY OF THE TRUCKEE TAHOE AIRPORT BY CREATING AIRPORT APPROACH ZONES, TURNING ZONES, AND TRANSITION ZONES AND ESTABLISHING THE BOUNDARIES THEREOF. PROVIDING FOR CHANGES IN THE RESTRICTIONS AND BOUNDARIES OF SUCH ZONES. DEFINING CERTAIN TERMS USED HEREIN. PROVIDING FOR ENFORCEMENT AND PRESCRIBING PENALTIES FOR THE VIOLATION THEREOF.

THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA, DO ORDAIN AS FOLLOWS:

SECTION 1: Pursuant to the authority conferred by the Airport Approaches Zoning Law of the State of California, and in conformity with Sections 21402 and 21403 of the Public Utilities Code and Standards of the Civil Aeronautics Administration of the United States Department of Commerce, the Board of Supervisors of the County of Nevada, State of Cailfornia, deems it necessary to create an "Airport Zoning Ordinance" for the purpose of promoting the health, safety and general welfare of the inhabitants of the County of Nevada by preventing the creation or establishment of airport hazards, thereby protecting the lives and property of the users of the Truckee Tahoe Airport and of the occupants of the land in its vicinity and preventing destruction and impairment of the utility of the airport and the public investment therein.

SECTION 2: SHORT TITLE, this ordinance shall be known and may be cited as the Truckee Tahoe Airport Zoning Ordinance of the County of Nevada.

SECTION 3: DEFINITIONS. As used in this ordinance, unless the context otherwise requires:

(1) "Airport" means the Truckee Tahoe Airport.

(2) "Airport Hazard" means any structure or tree or use of land which obstructs the airspace required for the flight of aircraft in landing or taking-off at the Airport or is otherwise hazardous to such landing or taking-off of aircraft.

(3) "Nonconforming Use" means any structure, tree, or use of land which does not conform to a regulation prescribed in this ordinance or an amendment thereto, as of the effective date of such regulations.

(4) "Person" means any individual, firm, co-partnership, corporation, company, association, joint stock association, City or County, or district, and includes any trustee, receiver or assign.

(5) "Structure" means any object constructed or installed by man, including, but without limitation, buildings, towers, smokestacks, and overhead lines.

(6) "Landing Area" means the area of the Airport used for the landing, take-off, or taxiing of aircraft.

(7) "Tree" means any object of natrual growth.

(8) "Planning Commission" means the County Planning Commission of the County of Nevada, State of California.

(9) Where "slope" and "ratio" is described in terms of figures in this ordinance the vertical distance is the numerator and the horizontal distance is the denominator.

SECTION 4: ZONES. In order to carry out the purposes of this ordinance, all of the land within the boundaries of the Truckee Tahoe Airport situate in the County of Nevada and within two (2) miles of the landing area of the Airport, is hereby divided into several zones, boundaries of which are shown on the Truckee Tahoe Airport Zoning Map approved by California Aeronautics Commission September 29, 1960.

All the land within the boundaries of the Truckee Tahoe Airport and within two (2) miles of the end of the runway is hereby divided into:

(a) Inner turning zones
(b) Outer turning zones
(c) Runway approach zones
(d) Transition zones
(e) Any natural growth of trees above the height limitations of this Ordinance within the Outer Turning Zone and in Nevada County in the area East of the Inner Turning Zone above the elevation of 5920, shall not be classified as a flight hazard or be in violation of the Ordinance.
(f) Due notice shall be given by the Airport District on any natural obstruction that exceeds the height limitation, and, if necessary, shall be removed at the responsibility of the Airport District, after due notice to the property owner.

HEIGHT LIMITS: Except as otherwise provided in this Ordinance, no structure shall be erected, altered, or maintained in any of the aforementioned zones (or airport) to a height in excess of the height limit established for each zone, nor shall any tree be permitted to grow to a height in excess of such limit. For purposes of determining the height limits as hereafter specified, the Coast and Geodetic Survey has established the official elevation reference point to be 5880 feet, and all height limits will begin at said elevation. For purposes of this regulation, the following height limits are hereby established for each of the zones in question:

(a) Inner-turning zone, one hundred fifty (150) feet.

(b) Outer-turning zone, one hundred fifty (150) feet, at the inner perimeter, and increasing in height in the ratio of one to twenty (I:20) to the outer perimeter (slope of (I:20).

(c) Runway Approach zone (20) and (II) as designated on said Truckee Tahoe Airport Map, not to exceed a height greater than permitted on a One to forty (I:40) slope (and in no event to exceed one hundred fifty (150) feet.

(d) Transition Zone, height limit based on one (I) to Seven (7) slope from edge of inner area approach zone to maximum height of one hundred fifty (150) feet. (slope of I:7)

SECTION 5. USE RESTRICTIONS. Notwithstanding any other provision of this ordinance, no use may be made of land within any airport approach zone, airport turning zone or airport transition zone, in such a manner as to create electrical interference with radio communication between the Airport and aircraft, making it difficult for flyers to distinguish between airport lights and other lights, resulting in glare in the eyes of the flyers using the Airport, impairing visibility in the vicinity of the Airport, or otherwise endangering the landing, take-off, or maneuvering of aircraft.

SECTION 6: NONCONFORMING USES. The regulations prescribed in Sections 4 and 5 of this ordinance shall not be construed to require the removal, lowering, or other change or alteration of any structure or tree not conforming to the regulations as of the effective date hereof, or otherwise interfere with the continuance of any nonconforming use, except as provided in Section 7 of this Ordinance. Nothing herein contained shall require any change in the construction, alteration or intended use of any structure the construction or lateration of which was begun prior to the effective date of this ordinance, and is diligently prosecuted and completed within two years thereof.

SECTION 7: VARIANCES. Any person desiring to erect any structure, or increase the height of any structure, or permit the growth of any tree, or use his property, or to replace substantially alter, repair, build or replant any structure or tree that is presently a nonconforming use, not in accordance with the regulations prescribed in this ordinance, may apply to the Planning Commission for a variance therefrom. When it has been determined that there are practical difficulties or unnecessary hardships in the way of carrying out the strict letter of this ordinance the Planning Commission shall have the power to vary or modify any of the rules, regulations, or provisions contained herein so that the spirit of the ordinance shall be observed, public welfare secured, and substantial justice done. No permit shall be granted that would allow the establishment or creation of an airport hazard or permit a nonconforming structure or tree or nonconforming use to be made or become higher or become a greater hazard to air navigation than it was when this ordinance became effective.

SECTION 8: ADMINISTRATIVE AGENCY. The Chairman of the Airport Zoning Commission of the County of Nevada is hereby designated the administrator charged with the duty of administering and enforcing the regulations herein described. The duties of the Chairman of the Airport Zoning Commission shall include that of reviewing all applications for Building Permits within the approach zones, turning zones, and transition zones of the Truckee Tahoe Airport, and that said Chairman shall report his findings to the Planning Commission.

SECTION 9: VIOLATION. In the event any person should erect, construct, move, alter or attempt to erect, construct, move, or alter any structure or allow any tree to grow to a height, in violation of the provisions of this ordinance, the same is hereby declared a public nuisance, and it shall be the duty of the District Attorney of the County of Nevada to bring and prosecute an action in any Court of competent jurisdiction to enjoin such person from continuing such erection, construction, moving, alteration, or growth, or if such erection, construction, moving, alteration, or growth is being or has been accomplished, the District Attorney shall bring and prosecute an action to enjoin such person from maintaining same.

SECTION 10: PENALTY. Any person violating any provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than Five Hundred Dollars ($500.00) or by imprisonment for a term not exceeding six months, or by both such fine and imprisonment. Such person shall be deemed guilty of a separate offense for each and every day during any portion of which any violation of this ordinance is committed, continued or permitted, by such person, and shall be punishable as herein provided.

SECTION 11: CONFLICTING REGULATIONS. Where this ordinance imposes a greater or more stringent restriction upon the use of land than is imposed or required by any other ordinance or regulation, the provisions of this ordinance, shall govern.

SECTION 12: VALIDITY. Should any section or part of a section, clause or provision, of this ordinance be declared by the Court to be invalid, the same shall not affect the validity of the ordinance as a whole or any part thereof, other than the part so declared to be invalid.

SECTION 13: This Ordinance shall take effect and be in force at the expiration of thirty (30) days from and after its passage, and before the expiration of fifteen (15) days after its passage it shall be published once, with the names of the Supervisors voting for and against the same, in the Sierra Sun, a newspaper of general circulation published in the County of Nevada.

ADOPTED AND PASSED by the Board of Supervisors of the County of Nevada, State of California, this 17th day of April, 1961, by the following vote:

AYES: Supervisors Ricker, Bishop, Hennessy, Robinson and Loehr.
NOES: Supervisors None
ABSENT: Supervisors None

H. G. LOEHR,
Chairman of the Board of Supervisors.

SACRAMENTO MAN IS HELD SUICIDE VICTIM

HOMEWOOD — The body of David Alexander McGuire, 25, Sacramento, a suspect in the beating of a West Sacramento woman, was found in his car here and the authorities listed his death as suicide.

Placer County Deputy Coroner Kenneth Quinn of Colfax said the body was found by a private protection patro'man Friday outside a Homewood summer cabin owned by a friend of McGuire's. McGuire was a Sacramento College student.

Quinn said McGuire broke into the cabin and apparently contemplated taking his life with a leather strap which was found in a shower stall. Quinn theorized McGuire realized his body might not be found for several weeks in the cabin and took his life by attaching the hose of a vacuum cleaner he found in the cabin to the exhaust pipe of his automobile.

New Clubhouse Is Nearly Completed

The club house on Truckee's Shadow Valley Golf Course is only one week short of completion. Those in charge feel that it should be finished by the end of next weekend if help continues as in the past. They urge everyone who can possibly make it to come out this weekend and especially next Saturday and Sunday.

August Sassarini, assisted by his son, Bill, and Randy Russell, completed the wiring, which was a huge job, and Bill Knapp of Donner Lake and Mike Popovich have almost completed the plumbing. C. H. Hunt, who donated the interior plywood, worked over the weekend and has almost completed that installation.

Karl Kielhofer, Angelo Besio, Lauren Russell, C. Ellis, Charles Fink, Jack Ellis and George Boden all contributed to the general construction this past week.

Terry Tollefson Monday dug the oversized septic tank and 100' leach line with his back-hoe. The kitchen counter was constructed by Karl Kielhofer and the formica top will be donated by Bill and Sarah Hunter of Bacchi's at Lake Forest.

Donations have not been solilicted on the construction of the club house but keep pouring in, nevertheless, and everyone concerned with the success of this project is sincerely grateful.

The initial opening of the golf course has been postponed due to inclement weather.

JIMMY HEUGA NAMED BY SPORTS WRITERS

The Winter Sports Writers Association last week picked Sierra's Ed Ronnestad as outstanding college skier of the past season, and Coach Paul Chesney as top college coach.

The selections which were made from within and outside college sports also named Jimmy Heuga, the Tahoe City flash, and Linda Meyers of Mammoth first ranking skiers in the far western area.

Mr. and Mrs. Ed Butler who have been at Oxnard during the winter have come here and plan a trip to Oregon to take care of property interests.

SIX BABIES ARRIVE AT LOCAL HOSPITAL

New comers to the Lake Tahoe-Truckee area included six babies born in Tahoe Forest Hospital during the week including Sheri Diane, daughter of Mr. and Mrs. Don Snelling of Tahoe City who arrived April 20. Sheri's first weight was 7 pounds, 9¼ ounces, according to her proud father who is employed by the Pacific Telephone Company.

Mr. and Mrs. Bobby H. Jester of Truckee became the parents of a son April 21, naming him Wayne Allen. The registered weight of the child was slightly over 8 pounds.

Also on April 21 Anita Marie arrived for her parents, Mr. and Mrs. Floyd L. Hulse of Tahoe City. The little girl tipped the scales at 7 pounds, 6 ounces.

Dr. and Mrs. Fenwick Cole of Truckee and Tahoe City greeted their daughter born April 22. Shannon Nelle weighed 7 pounds, 8½ ounces.

Mr. and Mrs. Aaron Thomas of Truckee welcomed their third child, a son on April 24. The little boy first weighed 7 pounds, 11½ ounces and Floyd Daniel are his chosen names.

Mr. and Mrs. Craig Robinson of Truckee welcomed their first child, a girl on April 24. Her arrival weight was 6 pounds, 11 ounces and Jamee Lynn were names selected by her parents.

SCOUT-O-RAMA WILL BE HELD SATURDAY

The annual Scout-O-Rama will be held this year at the Placer County fair grounds at Roseville Saturday, starting at 2 p. m.

A barbecue, prepared on the grounds will be served from 5 to 7 p. m. at $1 per plate.

Thirty-three Boy Scout units will attend and many exhibits will be open for public inspection.

Driver Killed When Truck Is Wrecked

One man was killed, a number were injured and property damage was high as a result of accidents during the past weekend primarily blamed on the unseasonal heavy snow storm.

James Edward Stone, 62, Oakland, died when his truck spun out of control and plunged over an embankment a mile east of Soda Springs at 5 o'clock Friday afternoon.

Stone, who was driving a tractor and trailer for the Oregon, Nevada, California Transport Co. was traveling west. It was snowing at the time and he apparently lost control. He was thrown out of the tractor.

The body was taken to the Truckee Colonial Mortuary.

Tedeusz Tawlazyk of Sacramento, and his passenger, James Cook were injured in a collision between cars driven by Tawlazyk and Frederick Gibson of San Francisco two and a half miles west of Truckee at 11 p. m.

Mr. and Mrs. John Freeman of Menlo Park were hurt when their car and cars driven by Alvin Skinner, Pittsburg and J. E. Peters, Michigan, were involved in a three-way crash four miles east of here Saturday at 6:30 p. m.

William McDaniel, San Francisco, lost control of his car six miles east of Truckee Saturday and he and two passengers, Cenon Siervo, Vallejo and Benetrio Giganta, San Francisco were taken to the Tahoe Forest Hospital for treatment when the vehicle was wrecked.

AWARDS ARE MADE TO CUB SCOUT BOYS

Parents and Cub Scouts will hold the May 29 pack meeting at the local baseball diamond when the families will participate in baseball, topping it off with a weiner roast.

The April 24 pack meeting combined an explanation of hobbies and presentation of awards in the Tahoe Truckee high school, including a thorough report by members of Mrs. Edward Frates Den No. 2 on railroads and flight history. The boys taking part in this phase of the program were Larry Doyle, Wilbur Glenn, Kris Kumle, Steve Maynard.

Inspection was won by Larry Doyle and Brian Smart and awards were presented to Rod McCallen, Ray Wiser, Bruce Leamon, Curt Wurst. Two new members, Steve Hanson and Benny Garcia received their bob cat pins.

PORCUPINE DRIVE IS OPENED BY SERVICE

The forest service is currently doing porcupine work in the Truckee area. A popular belief among many people is that porcupine are protected by law since they furnish survival food for persons lost in the woods. These rodents are not protected in California.

Since each porcupine can destroy 150 to 200 pine trees each year, the economic losses to timber stands far exceeds the minute value they may have as survival food, District Ranger Roy Saarni declared.

The control work consists of hunting, poisoning dens, and placing blocks in roost trees well out of reach of other animals. This work is being done by Max Meadows, Emery McCarroll and Paul Pratt all of the Truckee ranger station.

HISTORY OF GAMES IS NOW AVAILABLE

A limited number of copies of the hard-cover pictorial and recorded history of the Eighth Winter Olympic Games are available through the State Division of Beaches and Parks, P. O. Box 2390, Sacramento. The price is $4.

The 160 page book includes color photographs, detailed accounts of the various events, the records established and the event summaries.

DECLINES OFFICE

Mrs. Georgianna King announced this week that she has declined the appointment as publicity chairman for the Shadow Valley Country Club, as announced following the election of officers recently.

ATTENDED FUNERAL

Mrs. Frank Snyder attended funeral services for her uncle last week, returning to resume her position in the California Highway Patrol office.

New Dog—

Gerry Lewis, who for 15 years was constantly accompanied by his German police dog, Mohawk, now has a new companion of the same breed, Cochise who replaced Mohawk after the latter died.

SALVATION ARMY TO HOLD FUND CAMPAIGN

The Salvation Army has officially begun its annual campaign and the goal this year has been set for $1,000 in this area, Chairman N. F. Dolley announced.

Dolley said that on April 24, letters were sent to all businesses requesting their annual contribution. Businesses not responding by mail will be solicited personally, he added, in requesting that the money be mailed in thus saving the time of the solicitor. The residential mail requests will be sent May 23 which coincides with National Salvation Army Week.

All funds handled by the service unit treasurer, Richard Bollin will be used for food ,shelter, clothing and a variety of ways, Dolley declared.

The 1961 motto of the organization is "Services That Never Cease."

Clinic Slated

The monthly immunization clinic of the Nevada Coutny health department will be held Friday between 12 and 1:30 p.m. at the old Truckee elementary school.
